This policy is reviewed and updated annually to ensure that candidate absence from examinations at Brookthorpe Hall School is managed in accordance with current requirements and regulations.

References in this policy to ICE and SC refer to the JCQ documents **Instructions for conducting examinations** and **A guide to the special consideration process**.

## **Purpose of the policy**

The purpose of this policy is to confirm the arrangements for candidates who are absent from an examination at Brookthorpe Hall School.

An absent candidate may subsequently arrive once the exam is underway, becoming a late or very late arrival, at which point Brookthorpe Hall School reserves the right to exercise discretion whether to allow a candidate who arrives after the start of the examination to enter the examination room and sit the examination. (See **Candidate Late Arrival Policy**)

Based upon the circumstances for the absence, and subject to the required conditions being met, an application for special consideration may also be made to the relevant awarding body.

## **1. Identifying and dealing with candidate absence**

A candidate will be considered absent from an examination if:

- The candidate is not present on completion of the attendance register once candidates are seated and have started the examination (ICE 22.5).

Once a candidate is identified as absent from an examination, the following action will be taken:

- The candidate will be contacted as to their whereabouts and as far as possible arrangements made to ensure their immediate arrival

If a candidate fails to sit an examination, the following action is taken:

- A confirmed candidate absence is clearly recorded on the attendance register which is sent to the examiner/marker
- The candidate absence is noted on the seating plan by crossing through the candidate details
